

... The Easter Story

(Continued from page 4)
 "This man truly was the Son of God!"

40 Some women were there, watching from a distance, including Mary Magdalene, Mary (the mother of James the younger and of Joseph), and Salome. 41 They had been followers of Jesus and had cared for him while he was in Galilee. Many other women who had come with him to Jerusalem were also there.

The Burial of Jesus

42 This all happened on Friday, the day of preparation, the day before the Sabbath. As evening approached, 43 Joseph of Arimathea took a risk and went to Pilate and asked for Jesus' body. (Joseph was an honored member of the high council, and he was waiting for the Kingdom of God to come.) 44 Pilate couldn't believe that Jesus was already dead, so he called for the Roman officer and asked if he had died yet. 45 The officer confirmed that Jesus was dead, so Pilate told Joseph he could have the body. 46 Joseph bought a long sheet of linen cloth. Then he took Jesus' body down from the cross, wrapped it in the cloth, and laid it in a tomb that had been carved out of the rock. Then he rolled a stone in front of the entrance. 47 Mary Magdalene and Mary the mother of Joseph saw where Jesus' body was laid.

The Resurrection

16 Saturday evening, when the Sabbath ended, Mary Magdalene, Mary the mother of James, and Salome went out and purchased burial spices so they could anoint Jesus' body. 2 Very early on Sunday morning, just at sunrise, they went to the tomb. 3 On the way they were asking each other, "Who will roll away the stone for us from the entrance to the tomb?" 4 But as they arrived, they looked up and saw that the stone, which was very large, had already been rolled aside.

5 When they entered the tomb, they saw a young man clothed in a white robe sitting on the right side. The women were shocked, 6 but the angel said, "Don't be alarmed. You are looking for Jesus of Nazareth, who was crucified. He isn't here! He is risen from the dead! Look, this is where they laid his body. 7 Now go and tell his disciples, including Peter, that Jesus is going ahead of you to Galilee. You will see him there, just as he told you before he died."

8 The women fled from the tomb, trembling and bewildered, and they said nothing to anyone because they were too frightened.

9 After Jesus rose from the dead early on Sunday morning, the first person who saw him was Mary Magdalene, the woman from whom he had cast out seven demons. 10 She went to the disciples, who were grieving and weeping, and told them what had happened. 11 But when she told them that Jesus was alive and she had seen him, they didn't believe her.

12 Afterward he appeared in a different form to two of his

followers who were walking from Jerusalem into the country. 13 They rushed back to tell the others, but no one believed them.

14 Still later he appeared to the eleven disciples as they were eating together. He rebuked them for their stubborn unbelief because they refused to believe those who had seen him after he had been raised from the dead.

15 And then he told them, "Go into all the world and preach the Good News to everyone. 16 Anyone who believes and is baptized will be

saved. But anyone who refuses to believe will be condemned. 17 These miraculous signs will accompany those who believe: They will cast out demons in my name, and they will speak in new languages. 18 They will be able to handle snakes with safety, and if they drink anything poisonous, it won't hurt them. They will be able to place their hands on the sick, and they will be healed."

19 When the Lord Jesus had finished talking with them, he was taken up into heaven and sat down in the place of honor

at God's right hand. 20 And the disciples went everywhere and preached, and the Lord worked

through them, confirming what they said by many miraculous signs.

NOTICE OF RATE CHANGE REQUEST

Oncor Electric Delivery Company LLC ("Oncor") publishes this notice that on March 17, 2017, Oncor filed with the Public Utility Commission of Texas ("Commission") its Petition and Statement of Intent to Change Rates, a copy of which is kept at Oncor's office at 1616 Woodall Rogers Freeway, Dallas, Texas 75202. This notice is being published pursuant to Commission Procedural Rule 22.51(a)(1).

Oncor's rate filing, based on the system-wide financial results for a 12-month test year ending on December 31, 2016, adjusted for known and measureable changes, supports a net increase in transmission and distribution rates of approximately \$317 million over adjusted test-year revenues, or approximately a 7.5% increase over adjusted test-year revenues of \$4,214.2 million. Test-year revenues have been adjusted to normalize billing units, to remove the revenues associated with Oncor's Energy Efficiency Cost Recovery Factor, and to increase test-year revenues to reflect Transmission Cost of Service ("TCOS") and Transmission Cost Recovery Factor ("TCRF") adjustments. TCOS revenue was adjusted to include the September 15, 2016 interim update rates at 2016 Option 2 ERCOT 4CP. TCRF revenue was adjusted to equal the March 1, 2017 TCRF revenue requirement reflected on Line 2, Attachment A of Oncor's petition filed and approved in Docket No. 46616. If approved, the increased rates will be charged to Oncor's direct customers, all retail electric providers ("REPs"), in those portions of Oncor's service area under the original jurisdiction of the Commission. Each such REP is potentially affected by the proposed change. Depending on the REPs' actions, the end-use customer classes of such REPs are potentially affected by the proposed change. In addition, the result could be a change in Oncor's transmission cost of service rates, which would impact all load serving entities in the Electric Reliability Council of Texas. Oncor has requested an April 21, 2017 effective date for its proposed rate change.

Persons who wish to intervene in or comment upon these proceedings, in Docket No. 46957, *Application of Oncor Electric Delivery Company LLC for Authority to Change Rates*, should notify the Commission as soon as possible, as an intervention deadline will be imposed. A request to intervene or for further information should be mailed to the Public Utility Commission of Texas, P.O. Box 13326, Austin, Texas 78711-3326. Further information may also be obtained by calling the Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the Commission at (512) 936-7136. The deadline for intervention in the proceeding is 45 days after the date the application was filed with the Commission.
