Coke County has a new media outlet available!

Citizens no longer must keep up with multiple websites, Facebook pages, and a refrigerator covered in paper and calendars!

Everything Coke County is the only web site and mobile site needed to keep up with all of the activities in Coke County. **Information** is only a touch away on all **government entities** – minutes, directors, meeting times; **school information** – scores, schedules, awards and menus; **event information** – pictures, dates, and details; **churches, organizations and business directories** for both Bronte and Robert Lee. Every business is listed in these directories. A special feature of EverythingCokeCounty.com is the **"Week at a Glance"** located on the home page. This lists every activity happening each day of the current week and the next - county wide! Social networking online (like Facebook) can be a great source for information. However, algorithms are used to determine what posts will be seen in the newsfeed of users and many posts do not reach the desired audience. There is no guarantee a post will be seen on these sites. With EverythingCokeCounty.com, every page is **available 24/7** to everyone!

EverythingCokeCounty.com is **User Friendly!** There is a full desk top version for your computer or laptop, but the mobile site works just like an app and is even easier to add to your phone!
