Dear Editor,

ROBERT LEE CARE CENTER was empty for the second time in 61 years. In February 2008 and again this weekend, April 16, 2011 the Care Center was evacuated due to approaching grass fires in the County. About 6:00 PM on Saturday April 16, 2011 the Care Center was notified to prepare for evacuation. After evaluation of the fire danger to Robert Lee the decision was made to evacuate for the safety of the residents. By about 9:00 PM all of the residents had been transferred to Ballinger Health and Rehab, Runnels County Health and Rehab or Bronte Health and Rehab. These are the same facilities that helped us 3 years ago.

With the continued high winds on Sunday and Monday morning the Care Center felt the residents were safer where they About noon on

Monday the 18th the fire danger to Robert Lee had been reduced due to the valiant effort of all the local volunteer firefighters, many volunteer firefighters from the surrounding area and several from out of state. The residents returned to the Care Center and were all back by about 3:30 PM on Monday.

Transportation for the evacuation was provided by Robert Lee ISD, Thunderbird Rural Transportation, and West Coke County Volunteer Ambulance Service. Many current and previous employees reported to the Care Center as well as several community members and a Hospital District Board Member to offer their assistance. The response from the community to help the residents of the Care Center is truly extraordinary. Due to the extra help from the community the evacuation went very smoothly.

Robert Lee Care Center and the Board of Directors, recognizes the efforts and sacrifices of the staff and administration of Ballinger Health and Rehab, Runnels County Health and Rehab, and Bronte Health and Rehab. They welcomed our residents and staff and assisted in many ways to make the evacuation as painless as possible.

The friendly and helpful spirit of West Texas is alive and well. thanks, to all who assisted in the evacuation and return of the residents of Robert Lee Care Center.

Mary Bessent, President, West Coke County Hospital District Board of Directors Roger Alexander, Administrator, Robert Lee Care Center
