SPECIAL OIL & GAS SECTION

Joke County Water Supply Corporation awarded grant

The Texas Water Resources Institute (TWRI) announced a grant award of \$500,000 to the Joke County Water Supply Corporation for the development of a new water treatment plant. The grant will be used to purchase and install a new water treatment plant with a capacity of 1.5 million gallons per day. The plant will be located in the town of Joke, Texas. The grant was awarded by the Texas Water Resources Institute, a non-profit organization that provides technical assistance and funding to water utilities in Texas.
