We need to be demanding tect us from those people (1) How much fresh who would throw away water does it take to frack their future and ours in West Texas. It would seem (2) How many oil wells that the residents who have lived here all of their lives (3) What is the total would be as afraid as I am

of the total lack of regard for the use of fresh water to frac oil wells.

There is one truth that can NOT be denied. Fresh water is more precious in a dry land than oil. Without fresh water for myself and my animals, my land is worthless. My home can't be lived in and I can't find anyone to buy it.

The wrong questions are being asked because of man's greed and thoughtlessness. Please help me to demand that these questions be answered.

Bronte Golf Tourney slated

The Bronte Longhorn Golf Club is sponsoring a 3 person 27 hole golf tournament on Saturday, April 6, 2013. Tee time is scheduled for 9 am.
