Re: Bronte Oak Creek Lake Property

Dear Editor

Ronny Loyd received a bulk email regarding the sale of the land from Sweetwater. By the time he contacted Sweetwater the City of Sweetwater had sold the land to Bronte. Ronny contacted Bronte about buying or leasing approximately 18 acres of land across the road from his home.

Bronte wanted to fence the land that had been used as a dumping ground. Ronny Loyd said he would provide the labor if Bronte would provide the materials.

The City Secretary contacted Sweetwater as requested by a board member and got a copy of the lease that Sweetwater uses for Oak Creek Lake property. This form was used as a basis for the lease between Bronte and Ronny Loyd.

There was also a verbal agreement between Bronte and Ronny Loyd to demolish and remove five abandoned houses in Bronte at \$6500.00 each. There was not going to be payment to Ronny Loyd, only credit in that amount toward the land lease of approximately 18 acres at Oak Creek. The total amount was

County Residents Attend Playday!

Robert Lee Care Center and Bronte Health & Rehab Center both sent residents, staff and volunteers to San Angelo to compete in the Annual Midwest Playday on Saturday, March 25, 2017. The event was held at the Lincoln Jr. High School. They competed against other facilities in the Concho Valley area. The event consisted of several different sport activities. The Coke County group returned home sporting their medals.

\$32,500.00. Bronte had received two bids to tear down and remove the abandoned houses. The lesser bid was \$13,080.00 per house. The higher bid was \$17,950.00. Ronny had, at his own expense, gone around Texas contacting the owners of the abandoned properties and getting the releases of the owners for the demolition. The demolition was not included in the actual land lease because the City of Bronte did not want any liability in case something went wrong.
