**Field Trip Fun!** On April 14, 2015, Bronte Elementary 1st and 2nd graders (above left photo) ventured to San Angelo. Their first stop was the Nature Center. Next, they made their way to the Recycling Center, followed by lunch and some serious playtime at Kids' Kingdom. The last stop for the day was a program at the Angelo State University Planetarium.

**Campus Tours!** The senior class at Bronte High School (above) recently visited the campuses of Howard College and Angelo State University. The students were given a tour of the campuses and learned about the different academic programs and services each campus provides. The students also had the opportunity to ask questions and received literature and souvenirs. The seniors are pictured above at the Howard College campus wearing sunglasses that were given to them by Howard College. For more information on the schools, please visit [www.howardcollege.edu](http://www.howardcollege.edu) or [www.angelo.edu](http://www.angelo.edu).

**Required Training!** In compliance with the requirements of House Bill 897, school districts are required to provide cardiopulmonary resuscitation (CPR) training to students in grades 7-12 at least once before graduation. Erin Gregg, program coordinator for the Concho Valley Area Health Education Commission and Cera Cantu, certified CPR and First Aid trainer, recently provided instruction to seniors at Blackwell High School (above). The students were taught compression only CPR, how to use an AED machine, and how to aid someone if choking. BHS student Franck Cano is shown performing CPR.

**Blackwell CISD School Calendar revised**

Friday, May 22, 2015, has been designated as a "Bad Weather Make Up Day" at Blackwell CISD. Classes will be held on this day.

For our Bronte customers' convenience, there is a Drop Box at Bronte Hardware.
