Coke County Relay For Life! Cancer survivors walk the first lap of the 2011 Coke County Relay for Life held April 29 at the Robert Lee High School Track. This year's event raised approximately \$26,000 with ten teams and seventy survivors registering. There were 370 liminary bags lighting the evening's activities.

Dear Voters,

Even though we graduated at the top or near the top of our classes at Bronte High School, we were extremely unprepared when we began college. Our skills did not meet the level of the college instructors' expectations.

Fortunately, we were able to overcome these deficiencies in our education and finished our college careers with diplomas in hand. With this in mind, we are hoping to help our fellow Bronte students avoid this same situation.

While a focus on athletics is important, we believe that the over-focus on this department is detrimental to students looking to further their education.

In the last few years, David McWright and Paul Williams have done their best to be fiscally responsible while putting the emphasis where it should be - on academics. We are proud of the direction these men have attempted to steer Bronte ISD and believe wholeheartedly that they need to remain in a position to help students at Bronte ISD.

Please cast your vote for David McWright and Paul Williams on May 14 to show your support for the importance of education.
