Estate planning seminar slated for May 24 in Robert Lee

The Texas AgriLife Extension Service will conduct an estate planning seminar from 6-9 p.m. May 24 at the Robert Lee Recreation Center in Robert Lee.

Garrett Gilliam, AgriLife Extension agent in Coke County, said the seminar should be of interest for anyone with an estate of any size.

"Our featured speaker for this program is Dr. Wayne

Hayenga, an attorney and economist with AgriLife Extension at College Station," Gilliam said. "If you've ever heard him speak, you'll know this rare event in our area is one you won't want to miss. Dr. Haynenga is an excellent teacher. He has almost 40 years of experience teaching tax and financial topics with our agency."

Hayenga is scheduled to discuss laws associated with estate planning, various types of trusts, and estate and gift taxes.

Individual preregistration is

\$20 by May 20 and \$25 thereafter. A catered meal is planned and will be covered by the registration fee.

For more information or to RSVP, call the AgriLife Extension office in Coke County at 325-453-2461.

... Bronte Grant

(Continued from page 1) home," said Representative Darby who joined the Department in announcing the award. "This assistance helps residents who can no longer afford to make the needed improvements to their home that guarantee a safe and healthy living environment. I encourage TDHCA to continue its commitment to maintaining homeownership in rural portions of our state."

"By repairing deteriorating homes, we are not only helping maintain homeownership for more families, we are also helping maintain the vitality of rural Texas communities," noted Michael Gerber, TDHCA Executive Director. "Repairing the homes of low income households also benefits the regional economy through an influx of construction payroll salaries and increased taxes and fees that help fund essential public services. This is a win-win program for both the City of Bronte and the state."

TDHCA awards home repair funds to qualifying applicants through the Department's HOME Investment Partnerships (HOME) Program, which helps repair or replace homes owned and lived in by low income homeowners.

Assistance may include roof repair or replacement, as well as repairs to the electrical and plumbing systems. If a home has deteriorated to the point it no longer is cost effective to repair, it may be demolished and replaced with either a traditional "site built" home or a manufactured home.

Qualifying applicants include eligible cities and counties, public housing authorities, Community Housing Development Organizations and other nonprofit housing groups, and certain for-profit organizations which then work with eligible households at the local level.

The U.S. Department of Housing and Urban Development is the funding source for the HOME Program. The program serves households earning no more than 80 percent of the area median family income, which for Bronte

equals an annual income of \$37,450 for a family of four. For more information about this award, please contact the city directly at (325) 473-3501.

... Gardening Program

(Continued from page 1) Tom Green County Horticulture Extension Agent Allison Watkins will address organic and inorganic lawn care as well as drought tolerant varieties for the lawn and garden. Dr. Chris Sansone, Texas Agrilife Extension Entomology Specialist, will cover organic and inorganic pest control for the lawn and garden.

"In addition, Allison will cover how to make your lawn and garden more drought tolerant," states Garrett Gilliam-Coke County Texas Agrilife Extension Agent.

Also those looking to get CEUs for their private applicator license will be able to receive 1 CEU for attending the program.
