## Please Vote Nicholas “Nick” E. Arrott II for Bronte ISD Board of Trustees

As a current business owner and licensed attorney who graduated from Bronte High School, Texas A&M University (with a Bachelor of Science), and Texas Tech University School of Law (with a Doctorate of Jurisprudence), I am living proof that a small town grade school education can provide our kids with the foundation they need to succeed in whatever career path they choose to take.

As a local product of Bronte ISD, the Bronte community, and two Bronte families who have each lived here for over 100 years, I appreciate the vital role that Bronte ISD plays in (1) educating our kids, (2) molding our kids with our small town values, and (3) representing our community as Bronte's “front porch.” I also believe that the Bronte ISD Board of Trustees has a fiduciary duty to its taxpayers to ensure that its tax dollars are being spent responsibly and that all of its decisions are made with the most transparency allowed under the law.

At this particular point in time, I believe that Bronte ISD must invest in its staff and all of its classroom and extracurricular programs, with nobody and nothing getting short changed, so that (1) all of our kids receive the very best education and are given opportunities to succeed in all things, (2) Bronte ISD attracts and keeps the very best educators, and (3) Bronte ISD attracts new families and new students to Bronte.

I love Bronte and Bronte ISD, and I am thrilled to be back living in Bronte and raising my daughter in the best town and the best school in Texas. I would very much appreciate your vote and support as a board member on the Bronte ISD Board of Trustees in the upcoming election on May 10. If you have any questions for me or if you have any concerns that you want me to hear, then please call me on my cell phone at (214) 683-6154.
