...State Parks

(Continued from page 4)

This will also help park staff have necessary supplies available for all guests during their stay.

Texas State Parks will continue to operate at a limited capacity. Operational changes still in effect at parks include the suspension of all transactions at parks, equipment rentals and in-person interpretive programs. All group-use facilities, visitor and nature centers, headquarters and other enclosed spaces where people congregate will also remain closed.

The continuation of overnight reservations and other facets of park operations will be subject to change and is dependent on current data, staffing levels and public health recommendations. Park visitors should check the TPWD website and Texas State Parks Alert Map regularly for the latest information.

That approval means USDA could announce signup for the COVID-19 relief program any day.

Although the program signup is not currently open, USDA is urging farmers and ranchers to begin several steps of the application process ahead of time.

Under the CARES Act, USDA will distribute \$16 billion to farmers and ranchers affected by COVID-19. The program is open to farmers and ranchers
