Powder Pull slated for May 23

Bronte High School's Student Council is hosting a "Powder Puff" Football Game (where the girls play flag football) on Friday, May 23.

The proceeds from the game help the Bronte Volunteer Fire Department and Bronte Senior Scholarships.

Come out and support the kids as they play an active and fun role for their community.

Horns win State Championship

By Coach Kevin Burns
The Bronte Longhorn Track team participated in Austin May 9-10 in the UIL State Championships at Meyer's Stadium. The Longhorns were qualified in six of the seventeen events and had a chance to score quite a few points. The goal was to get as many of these events "on the podium" and the Longhorns were successful in three of them. Although we didn't medal in each event, we scored points in all six events and those points add up in the team championship race.

Placing for the Horns and the events entered were:

- 3200 Run, Manuel Perez, 5th, 10:34.58
- Long Jump, Jared Scott, 1st, 21'5"
- 4X100 Relay, Mizael Perez, Ty Lee, Joshua Puentez, Jared Scott, 4th, 44.24
- 800 Run, Manuel Perez, 5th, 2:02.53

4X200 Relay, Mizael Perez, Ty Lee, Joshua Puentez, Jared Scott, 1st, 1:32.48

4X400 Relay, Joshua Puentez, Jared Scott, Mizael Perez, Ty Lee, 2nd, 2:29.22

The 4X200 Meter team was crowned State Champions as was Jared Scott in the Long Jump. The 4X400 relay was the state runner-up. As a team, the Longhorns scored 58 points and are the 2014 Class 1A Division II State Championship Team.

Congratulations to all of these gentlemen for their accomplishments in Austin and on the season.

Health Careers Summer Camp

Angelo State University is sponsoring a Health Careers Camp this summer, June 16-19, at ASU for students who are at least 16 years old by June 1st.

This camp offers an opportunity for high school students interested in learning more about health professions. The camp allows students to gain experience through hands-on learning, interaction with healthcare professionals, tours of medical facilities and more.

The camp lasts four days and attendees must have transportation to and from the camp. The fee to attend is \$60.00 and the application packet is due May 21, 2014.

Applications are available in the counselor's office at Bronte High School.

Directors set high goals for Scholarship Fund

What began with a horrendous tragedy has turned into a project which has already benefitted many Bronte students and will continue to help Bronte students complete their education in the future.

C. J. Macon was killed in a vehicle accident on her way home from graduation practice at Bronte High School in May of 2004.

The CJ Macon Memorial Scholarship Fund began with the love for CJ and the desperate hearts of her parents, family and friends trying to make sense of her being gone. Today, for her parents Willie and Kim Macon, it is still about their daughter loved so much. During her time on earth, CJ always wanted everyone to be happy and lifted up.

The Scholarship Fund is directed by a board which includes her parents and many people who knew CJ from her birth. They live in Houston, New Braunsfels, Orange Grove, Spring, Galveston, Odessa, Midland, Stephenville, Valley View and New Iberia, Louisiana. In recent years, CJ's 3 sisters and their spouses, and her

brother have been placed on the board. According to Kim Macon, "These are all God fearing men and women who want God's will for Bronte's young people. They are leaders of multi-million dollar companies who work tirelessly all year for each event to fund the scholarships. God gets all the Glory. We will always love Him."

Through the Board's leadership, donations come in from all over the world. The group has two fundraisers each year. In the spring, there is a golf tournament at Wind Rose Golf Course in Spring, Texas. This year, 32 teams participated in the tournament with more funds raised during a silent auction of sports memorabilia. The Trees Ranch Shoot Out is held each fall in Orange Grove, Texas. This includes a turkey shoot, horse shoe contest, barbecue
