## CCRTA holds district meeting

The Coke County Retired Teachers Association hosted the TRTA District XV meeting on Thursday, April 26, 2019, at the First United Methodist Church in Robert Lee. Some 56 members of the 16 districts which make up Region XV were in attendance for officer training and informational sessions throughout the morning. The districts range in area from Stephenville to Junction and Brady. Each district brought a breakfast item and a prize for drawings throughout the day.

During the afternoon business meeting it was pointed out that there are about 5,000 retirees in District

XV. The challenge is to encourage the retirees who are non-active members to support the Texas Retired Teachers Association efforts on behalf of public schools' current and retired teachers' annuity and health care benefits. TRTA maintains contact with legislators throughout the year to keep public school retirees' concerns up-to-date and provides data to substantiate reasons for legislative support. TRTA (trta.org) is a public school members' organization, while Teacher Retirement System (trs.texas.gov) is a

governmental office with directors appointed by the governor. TRS may not speak for public retirees in the legislature, but TRTA is comprised of members and associates whose dues support the organization.

TRTA District XV members bring in approximately 127 million dollars into local economies through housing, transportation, food, and services. The Coke County TRTA public school retirees bring in more than 1.1 million into Coke County. The Coke County public school retirees also invested 36,000 volunteers hours locally.

Officers of TRTA District XV expressed appreciation for the

facilities of the First Methodist Church and Noel and Co. for the noon meal. Some officers stayed at the local AirBnb

overnight and also thanked local active members for the preparation and reception provided.
