Warden reminds residents to leave baby fawns alone

Local game warden Jim Allen reminds residents to avoid coming into contact or adopting baby fawns. Does will soon be having fawns, and will be leaving them hidden for periods of time. In nearly all cases, the fawns have not been abandoned, and residents are urged to leave them alone.

The warden reminds residents that it is a violation of state law to possess live whitetail fawns without departmental issued permits.

If an extreme situation develops, you may contact Allen at (325) 234-5626.
