

camping will be announced to the public once a date has been determined.

TPWD recommends visitors continue to adhere to local, state and federal travel restrictions and other guidance for safety and social distancing before traveling. Additionally, visitors are required to pre-purchase and print day-use permits through the Texas State Parks Reservation System before traveling to a park. Day-use reservations can be made online at [www.texasstateparks.org](http://www.texasstateparks.org) or by calling 512-389-8900.

Visitors planning on coming to a state park are encouraged to bring all necessary provisions, such as hand sanitizer and face masks, with them in order to help local businesses have

enough goods to properly serve their communities during this time. This will also help park staff have necessary supplies available for all guests during their stay.

Anyone traveling to a Texas State Park should continue to follow Centers for Disease Control (CDC) public health recommendations and adhere to strict social distancing and cleanliness standards while in public spaces. Those traveling to parks in rural areas should remember possible limits on available resources and local health care capacities.

Operational changes still in effect at parks include the suspension of all transactions at

parks, equipment rentals and in-person interpretive programs. All group-use facilities, visitor and nature centers, headquarters and other enclosed spaces where people congregate will also remain closed.

Texas State Park Passes can now be purchased online through the reservation system or over the phone by calling the Texas State Park Customer Service Line at 512-389-8900. For guidance troubleshooting issues with the reservation system or using Texas State Park Passes online, visit the reservation help page on the TPWD website.

## WCCHD Board Meeting held

by Pat Stephens

The Board of Directors of the West Coke County Hospital District met in regular session April 21, 2020, at the annex building of the old Coke County Jail. President Pat Stephens called the meeting to order at 9:30 am and declared a quorum was present. Board members present were Beverly Burdett, Noel Tinkler, Robert Brock, and Pat Carwile. Houston McGuire - RLCC Administrator, Janie Munoz - BOM, Chris Martin - Consultant, and Roger Alexander - WCCHD Administrator, were also present at the meeting. The

invocation was given by Roger Alexander. The regular meeting on March 24 was canceled due to the lockdown caused by Covid-19, but a special meeting was called on March 28 via email, and the Board members voted unanimously to participate in the QIPP Year 4 program. The minutes from the previous meetings on February 25 and March 28 were approved.

There are 37 residents in the Care Center as of the meeting date, with 1 pending. The facility is currently in need of PRN night CNA.
