**... RL Vision
with a Purpose**

(Continued from page 1)
Sgt. at Arms Marshall
Millican introduced a new
form for Vision with a
Purpose, "Idea approval
form", which can be filled
out and offered to the organi-
zation for approval.
Everyone has a vision which
might help our city and com-
munity! Let President
Debbie Childers or any VP
member know about it!

Robert Lee's Vision with a
Purpose is a voluntary
organization of business and
professional men and women
who are joining with one
another to promote the busi-
nesses and growth of Robert
Lee. Its goal is to create
jobs, improve education -
our children are our future,
support new and existing
businesses, and improve the
quality of life for the entire
community.

The next monthly meeting of
the VP group is Thursday, July
5, at 7 pm in the Coke County
Courthouse. Vision with a
Purpose is for our own good!

... 4-H News

(Continued from page 5)
Some of benefits of being
involved in the 4-H are every
year the 4-H foundation gives
over 2 million dollars in
scholarships to qualified
graduating 4-H seniors, 4-H
gives students the chance to
expand their horizons and
explore career paths, and it
also allows 4-H members to
connect with other 4-H mem-
bers from across the state.
For the final note I would
like to say I support the Stock
Shows and livestock projects
in 4-H and realize the posi-
tives outcomes these projects
can give; however, I seen
how projects that teach public
speaking, develop record
keeping, allow youth to gain
experience in a new field can
change a life.
