... Just Texas
(Continued from page 5)
Alvin in July of 1979.
Texas is the only state to enter the United States by treat. The Constitution of 1845 allowed the Republic of Texas to enter the Union instead of entering the union by annexation. This allows the Texas Flag to fly at the same height as the U.S. Flag. Also, Texas may divide into 5 states.

A Live Oak tree near Fulton is estimated to be 1500 years old.
Caddo Lake is the only natural lake in the state.
Dr Pepper was invented in Waco in 1885. There is no period in Dr Pepper.
Texas has had six capital cities: Washington -on- the Brazos, Harrisburg, Galveston, Velasco, West Columbia, and Austin.
The Capitol Dome in Austin is the only dome in the U.S. which tops the Capitol Building in Washington, DC by 7 feet.
The San Jacinto Monument is the tallest free standing monument in the world, even taller than the Washington monument.
The name Texas comes from

the Hasini Indian word 'tejas' meaning friends. Tejas is not Spanish for Texas.
The State Mascot is the Armadillo. Armadillos always have four babies. They have one egg, which splits into four, either

four males or four females.
The first domed stadium in the United States was the Astrodome in Houston.
Texas actually has a State Dog written into its constitution - the Blue Lacy breed.
