Nicholas

Inella Bruton Nicholas of Bronte passed away Saturday, June 25, 2011, at the age of 90.

Inella was born November 17, 1920, in Fannin County in East Texas to Everett and Neva Bruton. The family moved to Coke County when she was four along with little sister, Cloreta.

Inella graduated from Bronte High School in 1938. She married the love of her life E.O. "Speck" Nicholas in 1942. They took their honeymoon to the state of Washington and stayed a year. They also lived in San Angelo and Abilene.

Inella loved her family and friends. She was a sweet and kind person to everyone. She always cooked favorite foods and desserts for all the family for birthdays and holidays. She was a great cook to the day she passed away, making lunch for her sister and great-great-niece, Madison.

Inella is preceded in death by her parents and husband.

She is survived by her sister, Cloreta Spoons of Bronte; her

niece, Linda Massingill and husband Roy of Bronte; nephew, John Spoons and wife JoEtta of Ft. Worth; great niece, Stephanie Price and husband Chris of Virginia; great-great nieces, Madison Price of Bronte and Kristen Price of Virginia; cousin, John L. Bruton and wife Janie of Midland; many nieces and nephews on the Nicholas side whom she loved dearly.

Special thanks to Darrell Sowell and Larry and Gwen Dyess for their quick response in this emergency. Coke County is blessed to have people like you in time of need.

Inella has made her final arrangements and the family will honor her wishes with no service. In lieu of flowers, make donations to the Coke County Fire Department or Bronte Volunteer EMS. Arrangements were made by Shaffer Funeral Home.

City of Robert Lee to further restrict outdoor watering

In order to comply with City Ordinance #1140 Drought Contingency Plan, passed and approved July 10, 2006, the City must achieve a 35% reduction in daily

demand. Therefore, the Robert Lee City Council has initiated the next step of Stage 3 Water Shortage Restrictions. As of July 1, there will be no outside watering (household use only). Violators will be fined up to \$500.00 for each offense. If a 35% reduction is not achieved, the next phase will be a pro-rata allocation of water per customer with a surcharge of five times the normal water charge for water deliveries in excess of the monthly allocation.

These steps may seem severe, but the extended drought, three major fires, and extreme heat and wind conditions have taken a toll on area lakes. The water well field that the Upper Colorado River Authority is developing is moving forward but not at a rate that is keeping up with conditions. The City of Robert Lee is also working with the Texas Division of Emergency Management to seek help with an interconnection with another water

system or other water source. For further information call City Hall at 453-2831.
