Other Board members present were Sarah Green, Pat Stephens, Dessie Kendall, and Pat Carwile. Jessica Cason, Administrator, was also present at the meeting. The invocation was given by Jessica Cason. Minutes from the previous meeting were approved, and there were no absentees from that meeting.

The census count shows there are currently 32 residents in the facility, as of the meeting date.

In the staffing update, there are openings for a full time housekeeper and janitor.

In the Administrator's report, survey readiness is being addressed in the facility by daily walking rounds. There have been no major deficiencies found to date.

The team participating in the Relay for Life raised over \$3000 total monies, and won the trophy for the top new team. Congratulations, team Star Wars, for a job well done.

Under capital projects, bids have been obtained from three vendors for roof repairs needed for the storage/Food Bank building. A leak at the dining room door was also addressed, and the vent hood expansion for the kitchen fryer will be completed by Atex.

Building maintenance: A window in the dining room was cracked by a rock while weed eating, and is awaiting repair. Touch up painting is going on throughout the facility, and all new equipment is in house and preparing for installation. New

PointClickCare training began early June. Clinical and financial trainings and coaching continues until the go live dates.
