

**TSTC Presentation!** Cory Gropp from Texas State Technical College spoke in May to a group of Bronte High School students about the educational programs and opportunities TSTC offers on several of their campuses throughout the state. Some of the programs include diesel technology, automotive technology, culinary arts, welding, down hole tool technology, auto collision and paint, vocational nursing, robotics, computer technology, wind turbine technology, refrigeration and heating technology and computer aided drafting and design technology (CAD). Many of the programs offer associates degrees or certificates. Mr. Gropp stated that "Texas State Technical Colleges are a quick route to a great career, high quality education and high salaries, excellent faculty and small classes, hands-on real world training and job opportunities." For more information on TSTC, please visit [www.tstc.edu](http://www.tstc.edu).
