The Texas Legislature made changes to graduation plans for Texas high school students. The new plan then required many modifications that occurred throughout the past school year, and some changes still occurred during the month of June. Hopefully, the modifications to the new graduation plan are complete and we are ready to make schedules for the 2014-15 school year. Freshman students are required to graduate under this plan, but Sophomores, Juniors, and Seniors may choose to remain under the previous graduation plan or move to the new plan. The new plan does offer greater flexibility for the student in choosing courses.

The school offices will open August 4 and students/parents can call or come by the office between 8:00 and 3:00 Monday-Friday to discuss graduation plan options and choose courses.
