RLISD to continue CEP

Robert Lee ISD announced recently that it will continue its policy to operate the Community Eligibility Program (CEP) under the National School Lunch Program and School Breakfast Program for the 2022-2023 school year. Schools qualifying to operate CEP serve breakfast and lunch to all children at no charge and eliminate the collection of meal applications for free, reduced-price, and paid student meals. This new approach reduces the burdens for both families and school administrators and helps ensure that students receive nutritious meals.
