## Meet the Teacher slated for August 19

Bronte ISD will host a Meet the Teacher event for Pre-K through 6th grade students and their families on Monday, August 19, at 6 pm in the Elementary auditorium.

## Active Shooter Situation Program set for August 20

Robert Lee Community Watch will meet on Tuesday, August 20, 2019, beginning at 6 pm at the Robert Lee First United Methodist Church Family Life Center.

The group is comprised of neighbors looking out for neighbors and the community and you could be too! Here is your chance to help the Sheriff's Office, your neighbors, and your community work together to

fight crime in Robert Lee. The more members the group has, the better the program works and the safer the community will be. Members do not have to live in town to participate and businesses are welcome as well.

Active shooter situations will be the topic of the program to be presented by Sheriff Wayne McCutchen. Planning will also be held for the 2019 National Night Out.

## Back to School Party set for August 23

The Coke County Girl Scouts will be hosting a Back to School Party at the Bronte Pool on Friday August 23, 2019, from 6:15 pm to 8:15 pm.

All girls of Coke County grades kindergarten through 12th grade are welcome to attend regardless of membership. Come join the fun!

**City Council Update!** The Robert Lee City Council met Monday evening, August 12, 2019. Following the pledge, prayer and citizen comments, they moved on to the Consent Agenda. One of the items on this Consent Agenda were the minutes of the previous meeting. The mayor mentioned to the council that although she had emailed copies of the minutes to be approved, she had failed to print out copies of these minutes for their packets. She then advised the minutes be pulled off the Consent Agenda and approved at the next council meeting. The council agreed with that recommendation. The postponement of this approval would be a non-event except for the fact that minutes cannot be publicly printed until they are approved. The Observer/Enterprise has received a verified report of a July 22 special meeting of the council where they voted to award the mayor "back pay" upwards of \$20,000 that would correlate to the mayor receiving \$48,000 in salary and stipend payments during her 24 month term of office. Once these minutes have been approved and are available to the public, the O/E will publish the complete story of how this issue came up for a vote and why the council approved these funds.

## RLVFD Benefit Event slated for August 25
