Notice of Public Hearing on Tax Increase

The COKE COUNTY will hold two public hearings on a proposal to increase total tax revenues from properties on the tax roll in the preceding tax year by 2.92 percent (percentage by which proposed tax rate exceeds lower of rollback tax rate or effective tax calculated under Chapter 26, Tax Code). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property and the tax rate that is adopted.

The first public hearing will be held on August 30, 2012, at 9:00 AM at Commissioner's Court Room, Coke County Courthouse, 13 E. 7th St., Robert Lee, Texas.

The second public hearing will be held on September 4, 2012, at 9:00 AM at Commissioner's Court Room, Coke County Courthouse, 13 E. 7th St., Robert Lee, Texas.

The members of the governing body voted on the proposal to consider the tax increase as follows:

- FOR: Bobby Blaylock, Wendell Lee, Troy Eugene Montgomery, Gaylon Pitcock, Roy Blair**
- AGAINST:**
- PRESENT and not voting:**
- ABSENT:**

The average taxable value of a residence homestead in Coke County last year was \$45,373. Based on last year's tax rate of \$0.533311 per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$241.98.

The average taxable value of a residence homestead in Coke County this year is \$44,936. If the governing body adopts the effective tax rate for this year of \$0.528009 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$237.27.

If the governing body adopts the proposed tax rate of \$0.543447 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$244.20.

Members of the public are encouraged to attend the hearings and express their views. This reflects \$2.22 increase on the average home.
