Community Band Update

The Robert Lee Community Band is growing, but we still need horn players in all sections and drummers. To get ready for the first game, we will practice Tuesday and Thursday nights from 6:00 to 8:00. Please come and join us. You'll be surprised at how fast you can get back "in the groove".

New Hours for Robert Lee's Front of the Line Feed Store

Front of the Line Feed Store in Robert Lee will begin new hours of business beginning the week of August 20, 2012. The feed store will be open for business on Thursdays and Fridays from 8:30 am to 5 pm and on Saturdays from 8:30 am to 12 noon.

"Due to extreme drought and the decrease in number of animals in the area, we were forced to change our regular hours of business. Hopefully, we all will receive some much needed moisture in the near future." stated Dennis Poole.

If you have any questions or need assistance, please feel free to call the PM Feed Mill in Snyder at 325/573-9373 or Dennis Poole at 806/470-6084.

"We really enjoy and appreciate doing business in Robert Lee and the surrounding area and hope to go back to our regular hours as quickly as possible."

"Our store is stocked with feed for goats, sheep, cattle, and horses. Also, we carry pet food to include dogs and cats, also coastal and alfalfa hay. We also carry sulfur, iodized, plain, and trace mineral salt blocks. Vaccines for cattle, sheep, goats, and pets are available as well."

"If you have a need for bulk feed, we manufacture and deliver range cubes, drought pellets, 13% sheep and goat, and 16% goat pellets. Bulk 20% range cubes are now \$403.00 per ton plus freight." Mr. Poole continued "Thank you for your past business and we look forward to your business in the future. If we can assist you give us a call. We'll treat you so many different ways you're bound to like one of them. If we

make a mistake, we'll do our best to correct it, and you can bet if we make a mistake it will be an honest one. Pray for rain and clean living; see you in the funny papers."

New identification rules for vehicle titling, registration

Texans titling a vehicle in the state and first-time registrants will soon have to show identification, enhancing public safety and paving the way for more customer-friendly automation.

The Texas Department of Motor Vehicles (TxDMV) Board passed new identification rules at its Thursday meeting. The rules were required as part of two new state laws (HB 2017 and HB 2357) that mandate identification for titling a vehicle and first-time registrants. This change does not apply to registration renewals.

The identification requirements are a two-phase process designed to give Texans, tax assessor-collectors and businesses an opportunity to become educated on the new procedure. Beginning Sept. 3, 2012, vehicle buyers can show any government photo identification if it includes a current photo, unique identification number, birth date and expiration date.

On Sept. 1, 2013 and thereafter, the only

acceptable government photo identification will be a:

- State driver's license or identification certification issued by one of the U.S. states or territories
- United States or foreign passport
- United States military identification
- North Atlantic Treaty Organization (NATO) identification
- United States Department of Homeland Security identification-issued document
- Identification issued under a U.S. Status of Forces Agreement
- United States Citizenship and Immigration Services documentation

The new identification requirements are another step towards creating more electronic services for customers, and ensuring the integrity of the motor vehicle database.

Next year Texans can expect to see is the replacement of paper titles

with electronic ones or "eTitles," that will take the burden off vehicle owners to keep track of their title and help to reduce title fraud. The eTitle system is expected to launch in fall 2013.

The TxDMV plans to further automate the motor vehicle database so vehicle owners can be found by name. Currently the system can only find an owner in the database by the vehicle identification or license plate number.

The TxDMV continues to offer registration renewal, email registration renewal reminders, specialty plate ordering, customer address changes, vehicle transfer notifications and vehicle transfer permits online. Consumers can also check whether a moving company is licensed and any complaints filed with the TxDMV against moving, bus or truck companies on the TxDMV website, www.TxDMV.gov.

The Biggest Lie

by Melinda McCutchen

Many sits at her kitchen table blankly staring into her cup of coffee that had long since become cold. She's trying hard to make sense of why this is happening to her and to the family she loves.

She's tried all of her life to be a good Christian and now ... she's dying.

Why do bad things happen to good people?

Since the beginning of time, people have been deceived by Satan. This book discusses his first lie, the same lie people believe today!
