NOTICE OF PUBLIC HEARING ON TAX INCREASE

The WEST COKE COUNTY HOSPITAL DISTRICT will hold two public hearings on a proposal to increase total tax revenues from properties on the tax roll in the preceding tax year by 5.90 percent (percentage by which proposed tax rate exceeds lower of rollback tax rate or effective tax calculated under Chapter 26, Tax Code). Your individual taxes may increase at a greater or lesser rate, or even decrease, depending on the change in the taxable value of your property in relation to the change in taxable value of all other property and the tax rate that is adopted.

The first public hearing will be held on August 27, 2019, at 9:30 am at Robert Lee Care Center, Robert Lee, Texas.

The second public hearing will be held on September 10, 2019, at 9:30 am at Robert Lee Care Center, Robert Lee, Texas.

The members of the governing body voting on the proposal to consider the tax increase as follows:

<b>FOR:</b>	Robert Brock	Beverly Burdett
	Pat Carwile	Pat Stephens
	Noel Tinkler	

**AGAINST:**

**PRESENT** and not voting:

**ABSENT:**

The average taxable value of a residence homestead in WEST COKE COUNTY HOSPITAL DISTRICT last year was \$59,273. Based on last year’s tax rate of \$0.226475 per \$100 of taxable value, the amount of taxes imposed last year on the average home was \$134.24.

The average taxable value of a residence homestead in WEST COKE COUNTY HOSPITAL DISTRICT this year is \$59,449. If the governing body adopts the effective tax rate for this year of \$0.236075 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$140.34.

If the governing body adopts the proposed tax rate of \$0.250000 per \$100 of taxable value, the amount of taxes imposed this year on the average home would be \$148.62.

Members of the public are encouraged to attend the hearings and express their views.
