Coke County 4-H seeks members

The Coke County Extension agents will be conducting 4-H meetings in Bronte and Robert Lee to kick off the 4-H year. Any youth who is either 9 years old or 8 years old and in the 3rd grade, and has not reached their 19th birthday by August 31, 2011, is eligible to become a 4-H member. Meetings in Robert Lee will be held the first Wednesday of the month beginning September 7, 2011. The senior 4-H group, grades 7-12, will meet during the lunch period at the Catholic Church hall and the junior 4-H group, grades 3-6 will meet after school in the cafeteria. Bronte 4-H meetings will be held the 2nd Wednesday of the month, beginning September 14, 2011. Grades 3-6 will meet after school in the library, grades 7-12 will

meet during the lunch period at the Bronte Church of Christ annex.

4-H is open to any youth regardless of sex, religion, race, socio-economic level, color, disability, or national origin, who meet the age requirements listed above. Individuals with disabilities, who require an auxiliary aid, service or accommodation in order to participate in these meetings, are encouraged to contact the Coke County Extension office at (325) 453-2461 to determine how reasonable accommodations can be made.

Being a member of 4-H offers vast opportunities to gain valuable experience in leadership, learning responsibility, inter-action with others and knowledge in several project areas. Many people have the misconception that 4-H members only learn to cook, sew or have livestock projects, but 4-H is "more than just cooking and cows." Youth can participate in project areas including: gardening, horticulture, electricity, shooting sports, archery, government, wildlife, dog care and training, poultry and numerous other learning experiences. Through project work, being on judging teams, public speaking, method demonstrations and other 4-H areas, youth can learn valuable lessons in responsibility, being able to think for themselves, be able to speak in front of groups and other beneficial lessons to help them in their lives later on. Also, 4-H is not just for youth—adults and parents are encouraged to become involved as volunteer leaders to assist in club meetings and various project groups.

Additional information can be obtained from the Texas AgriLife Extension Service-Coke County office in the county courthouse, or by calling (325) 453-2461.
