

Red Hats

to meet September 1

The Red Hat Society will meet at 11 am Thursday, September 1, 2016, at Noel's. Noel's is located five miles west of Robert Lee on Highway 158. Look for her sign on the right, then follow the driveway through the pasture, until you come to the building. She always has a special meal planned for the group.

Come and enjoy good food, fun and fellowship.

Fire Department Donations needed

Both the Bronte and Robert Lee Volunteer Fire Departments are in need of bottled water donations. Robert Lee VFD is also accepting donations of Gatorade. With the continued lack of moisture and hot temperatures, the possibility of wildfires is a clear and present

danger to our county.

Please leave the donations at Bronte City Hall, 114 S. Washington in Bronte or Robert Lee City Hall, 6 7th Street in Robert Lee.

... Dove Season

(Continued from page 1)
zone, where they don't get shot at so much. If conditions get right to bring some northern birds into our area, we'll have some real hunting opportunities.

Thursday morning, September 1, 2016, will mark the beginning of the new dove season in Coke County and throughout the Northern and Central zones of Texas. The Northern dove hunting zone is basically the area above Interstate 20, with the Central zone being bordered on the north by Interstate 20 and on the southern end by Interstate 10. The South zone is below Interstate 10, and their season

does not open until September 23.

The lengthened season in our area (Central Zone) will run from September 1 through November 6, 2016, with an additional late season running from December 17, 2016 through January 8, 2017. In the North Zone the season will run through November 13, 2016, with their late season set for December 17, 2016 through January 1, 2017. The South Zone (if you are hunting south of I10, is set for September 23 through November 13, 2016, with the late season December 17, 2016 through January 23, 2017. Daily bag limit is 15 mourning, white-winged, and white-tipped doves in the aggregate, to include not more than 2 whitetips. Possession limit is three times the daily bag limit. Don't forget that there is no limit on collared doves;

however, you will want to leave plumage on these birds for identification purposes.

Legal shooting hours are from one-half hour before sunrise to sunset. Don't forget to plug those autoloaders and pump shotguns, as dove are considered migratory birds, and plugs must be in place so that the firearm can hold no more than three shells.

A new hunting license will be required to hunt this fall, along with a \$7.00 migratory game

bird stamp if you will be hunting dove or waterfowl, plus another \$7.00 stamp if you will be hunting upland game birds, which include quail, turkey, and pheasant. If you will be hunting waterfowl, you will also need to purchase a \$25 migratory game bird stamp endorsement (duck stamp).

Best of luck in your upcoming hunting endeavors. Don't forget to make safety your primary concern as you take to the fields this fall.
