## Here's Your Sign!

A vehicle accident with injuries occurred on a county road and emergency personnel could not respond to the accident in time to give aid to the victims. The accident occurred in a rural area of the county and was caused when the occupants of the vehicle lost control at a low water crossing.

A local rural home was destroyed recently when the fire department could not find the address or the road the fire was on.

Local EMS was called to a rural home for a person having a heart attack and could not arrive in time to help the person needing medical attention.

The three events above have not happened – yet, but they could! We have a problem within Coke County, where people are removing or destroying the road signs put up to inform the public of where you are or what road conditions are ahead. The signs are put up to inform or warn everyone using that road for what ever reason. The signs are purchased and put up with county tax dollars and are not for individuals to remove and take home for souvenirs, as there are state and local laws governing the illegal removal of traffic and road signs with fines and penalties.

Would YOU want to know that you were responsible for one of the above events?

Please help your county and report to any law or county official of the destruction or removal of any road signs within the

### Bronte Chamber of Commerce posts minutes

The Bronte Chamber of Commerce Board of Directors met in regular session Monday evening, August 1, 2011.

In attendance were Buzz Gohman, Susan Williams, Ron Cooper, Tammy Thorn and Angel Cervenka.

Old Business:

Authorized Chamber account signatures - Buzz reported that he had obtained the forms necessary to change the authorized signatures on the organization's bank accounts. The authorized signatures will be Paul (Buzz) Gohman, Susan Williams and Melinda McCutchen.

New business:

Trash barrels for the park. - Buzz pointed out that the Bronte parks have no trash barrels. He suggested to Angel that the Teens find some barrels, paint them a bright color and stencil something like “Bronte Teen Chamber” on them. They could then be delivered to the parks and provide advertisement for the teens. Ron said he would check with the school as they get some supplies delivered in metal barrels. The teens can also check with businesses to see if some barrels could be donated.
