New Speed Limits! Over the last couple of weeks, the speed limit signs have been changed out in Coke County. The speed limit now on all paved state maintained roadways in Coke County is 75 miles per hour. This change causes some concern. Some drivers will automatically bump their speed up to 80 or more, while others will stay well under the new limit. Both kinds of drivers could be looking at a citation. Drivers going well under the speed limit and causing a number of vehicles to form behind them can be cited for impeding the flow of traffic.

line routines will be taught by the 2013-2014 RLHS Cheerleaders to children going into Pre-K through 6th grade.

Thursday will be Crazy Day and Friday will be

Steer Spirit Day. Presentations and awards will be held at 10:30 am Friday.

Children need to bring their own water bottle. Snacks will be available for purchase. Campers need to bring their money in a purse/sling-pack or baggie with your name. All those attending will get to perform at one High School pep rally and 5 minutes at a home football game.

For more information, contact Maranda Hood at maranda.hood@rlisd.net.
