Football Update

Last week the Robert Lee Junior High 7th grade football team played Santa Anna's "B" team and won 34-0. It was a great overall effort from the entire team, and there were multiple players who stood out. One of which was Denver O'Dell, who threw a touchdown pass and was a key member of our defense. Another standout player was Jose Heredia, who accounted for multiple of the teams touchdowns and was in on practically every tackle of the defensive side. This week the 7th grade will play Garden City as they look to continue the great start to their season.

The 8th grade played Santa Anna's "A" team, and were able to come from behind in the second half to win 20-19. The Dogies showed great heart and determination to claw their way back into the game, and held firm on the defensive end to hold Santa Anna scoreless in the second half. Aden Burns had a great game defensively where he was disrupting every play and had a role to play in almost every tackle. Another player who had an outstanding game was Judah Smith. He accounted for most of

the teams touchdowns and several key tackles. This week the 8th grade will play Olfen, where they will look to continue their hot start.
