## .More Classifieds CARD OF THANKS

#### A SIMPLE "THANK YOU"

doesn't seem to cover the gratitude we feel for the generosity of this community over past two months. The love and support shown to us "kids" means so much as we deal with the sudden loss of Dad.

Thank you to the EMS, Trey Davis, and Brother White Danny for responding to t h e emergency when w e needed you. To our friends who stood by and prayed with us and continue to pray for us, we say thank you. The generous gifts of food, flowers, memorials, phone calls, hugs and tears will never be forgotten.

Thank you to Robert Lee ISD Administrators and Board of Trustees for designating the Kenneth Rasco Memorial Relays as a tribute to Dad. He loved everything about Robert Lee ISD and was looking forward to a new year - as if he was still employed. You were a blessing to him.

We could not walk this walk without our many friends in Robert Lee. Thank you Pistol and Rhonda Hood for guiding us along this path. To those who continueto call and check on us, we appreciate you and your love. We are covered with His feathers and find refuge under His wings.

Karen, Kenda and Kirby Rasco

### Butterfly Seminar set the tragic migration for September 28

The Big Country Chapter of the Texas Master Naturalist is sponsoring a "Monarchs a n d Milkweeds" seminar on September 28, 2013, at the Taylor County Extension Office, from 9 am to 12

In this seminar, Cathy Downs will go through: Monarch anatomy, biology, life cycle and migration;

decline and the reasons for the habitat decimation; the importance of native and non-systemically treated milkweeds in the Monarch habitat and why that is crucial to Monarch survival; and identify several native milkweeds that grow well here in the Big Country and Concho Valley.

Ms. Downs is a Monarch Conservation
