RL Dogies Football Update

Both the Robert Lee Junior High Dogies football 7th and 8th grade teams were able to continue their hot starts to the season. The 7th grade team defeated Garden City 24-13, in what was another great overall team performance. Anthony Landeros was all over the field on both sides of the football with his main contributions coming on the defensive side, and Carlos Olguin had several key blocks that sprung touchdowns and also had a timely interception that

stopped Garden City's momentum.

The 8th grade team defeated Olfen 34-18 where they were in total control from the opening kick. Koltun Williams was one of the key differences in the ballgame making block after block that set us up for touchdowns. And Payden Hunter contributed on both offense and defend where he had a sack and also converted an extra point. This week the junior high will play Highland in what hopefully will be another good showing.
