## Steers topple Bulldogs

By Tom Sawyer  
Well Steer fans, it's football season and if you are as excited as everyone else I've talked to, then let's get ready for some football. Coach Avants brought out the Steers on Friday night and they were ready to play. This season will be very exciting with the Steers suiting up 25 players which are the most since Robert Lee's last game in eleven man. This is a testament to our team's dedication and commitment to a great football program.

Steer fans lined the fences and crowded the stands to cheer on the Steer's, as well as a new addition this year. The community band did an awesome job with the national anthem and a few other tunes. They were led by Mr. Ratliff and some super adults and students.

Fast action and great players are a sure ingredient for a successful year. Everyone get out and support our Steers
