Enjoy being a part of your community

By Martin Lee It is my belief that everyone needs to conribute part of their lives to their country and to their community. Otherwise, who will have any memory of your journey through this life?

Service clubs have made Bronte a place to enjoy living. The Bronte Lions Club has served the community for over 60 years - at one time, having two Lions Clubs with 30 to 40 members in each club.

These Lion Clubs have been the movers and shakers in Bronte, being responsible for Bronte having a modern day sewer system with the cheapest rates in Texas and a modern water system with plans and needs taken care of for many years in the future at a very enviable rate for water.

The Lions Club pushed for the Bronte park improvement

and swimming pool. They carried the ball to have low rent housing in Bronte. They also pushed the plan years ago to pave steeets in Bronte.

The Lions Club has also supported the Bronte school and assumed the duty of selling tickets and assisting with parking at all football games.

The Lions Club supports and helps fund the Bronte Community Chest for all people down on their luck.

They have assisted education needs and medical needs for many people needing help in the community. They have always supported the crippled and diabetic children in our community. They have paid for eye exams and glasses for needy children in our Bronte school. They have imple-

Love Me Tender! On August 26, Robert Lee Care Center had a 50's party with special guest "ELVIS". All residents, employees and community people enjoyed the entertainment. Refreshments served were root beer and mini-burgers. Elvis was dressed for the part and really put on a show and had everyone dancing, singing and brought back memories of that era.

mented trash pickup programs and paid for the installation and maintenance of the "WELCOME to BRONTE" signs on all highways into town.

As a fundraiser for these projects, they sell and put out the US flags you see every national holiday. Call a Lion to get your flag!
