Consideration of a Mayor "stipend" to be paid to the Mayor in addition to the Mayor salary was discussed. Council members were in agreement to add \$15,000 year to the proposed budget and asked the City Secretary to inquire with the auditor regarding the "stipend". City Secretary reported that upon conversation with the City Auditor and information received from the Texas Municipal League regarding the "stipend" that it was not recommended and may violate the common law doctrine of incompatibility. Following discussion council members expressed support and appreciation to Mayor Casey for his service and commitment of all his efforts to the City. The "stipend" was removed but the \$15,000 remained in Payroll Services. Council considered adding overtime pay to the budget instead of employees earning compensation time in lieu of overtime pay. Council was in agreement to a trial run for this year budget and will add \$3,000 plus payroll taxes to the proposed budget. At such time the \$3,000 is exhausted, council will re-visit this issue. Proposed budget considered final with these changes and will be presented at September council meeting.
